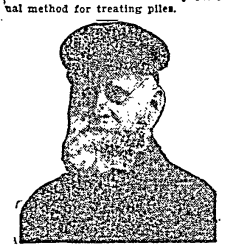
Cured His Piles

Now 88 Years Old But Works At Trade of Blacksmith and Feels Younger Since Piles Are Gone.

The oldest active blacksmith in Michigan is still pounding his anvil in the town of Homer—thanks to my internal method for treating piles.



Mr. Jacob Lyon, Homer, Mich.

I wish that you could hear him tell of his many experiences with ointments, salves, dilators, etc., before he tried my method. Here is a letter just received from him:

Mr. E. R. Page, Marshall, Mich.

Dear Sir: I want you to know what your treatment has done for me. I had suffered with piles for many years and used suppositories and all kinds of treatments, but never got relief until I tried yours. Am now completely cured. Although I am 88 years old, and the oldest active blacksmith in Michigan, I feel years younger since the piles have left me. I will surely recommend it to all I know who suffer this way. You can use my letter any way you wish and I hope it will lead others to try this wonderful remedy.

Yours truly, J. L. LYON.

There are thousands of afflicted people suffering with piles who have never yet tried the one sensible way of treating them.

Don't be cut. Don't waste money on foolish salves, ointments, dilators, etc., but send today for a Free Trial of my internal method for the healing of Piles.

No matter whether your case is of long standing or recent development—whether it is occasional or permanent—you should send for this free trial treatment.

No matter where you live—no matter what your age or occupation—if you are troubled with piles, my method will relieve you promptly.

NINETEEN YEARS ACTIVE PRACTICE

THERE IS NO TIME LIKE THE PRESENT TO HAVE YOUR TEETH FIXED

W. C. CREATH
Doctor of Dental Surgery.

YOU MAY be able to put off buying certain things on the theory that you cannot afford them, but you cannot put off having your teeth fixed; for your teeth are very essential to your general health. If your teeth are in need of attention, have them fixed at once. Do not delay—delay only means decay. The longer you allow a tooth to decay the greater the danger to your health and the more expense in having it fixed.

If you have even a suspicion of a decaying tooth, come down to Dr. Creath, Reliable Dentist, and have him make a free examination of your teeth. He will tell you just what is the matter and just how much it will cost to have it fixed. You will be surprised at the moderate sum he asks for high-grade dental work.

Examination and Estimate FREE.

Easy Terms of Payment.

OFFICE HOURS:
Daily—8:30 a. m. to 8 p. m.
Sunday—10 a. m. to 12.
