

# JEWISH HISTORICAL SOCIETY

*of the Upper Midwest*

The Jewish Historical Society of the Upper Midwest invites you to participate in a project to record memories of the Adas Israel Synagogue in Duluth, Minnesota which unfortunately burned this past September.

In the wake of the tragedy, many people shared their thoughts in newspapers and on-line. Some reached out to JHSUM to share their thoughts and feelings.

We have a wonderful opportunity to record (audio and video) interviews with individuals through a platform called *TheirStory*. More information can be found at: [www.theirstory.io](http://www.theirstory.io)

The brainchild of Zack Ellis of New York who has relatives in Minnesota, Zack has generously offered JHSUM access to the platform and editing services specifically for this purpose for the next several months.

Please contact us if you would like to participate. Participation can be done in person in the Twin Cities and Duluth areas, but if you live further away, it can be accomplished online. Please share this information with others who may be interested in participating.

To learn more, please contact us at 952-381-3360 or email [history@jhsุม.org](mailto:history@jhsุม.org).
