Hotel business is getting decidedly better

It was certainly a very quiet and orderly election.

The Dulath Evening Herald will make its appearance Monday, April 9.

The Duluth Rifle Club will soon re-umo

Only one man voted for liquor license in

Park Point.

Why are not some lamps put up alongside

the burnt district?

The Duluth Evening Herald will make appearance Monday, April 9.

An eleven-year-old daughter of B. Johnson died Tuesday.

An infant child of Henry Jacobson died Wednesday morning. Haug Bros. began excavating Saturday for

their new building.

And again, the TRIBUNE modestly con-

A large and comfortable cabin has been built on the tug Sickiwit.

The Induth Evening Herald will make its appearance Monday, April 9. John R. Meining is confined to his bed

with sore throat and fever. You might as well pay, that little election

Let now as any other time. Louis Meining did the first blasting on Piedmont avenue Monday.

Jim Martin was "bounced" from the lodge or that I Templars last evening.

J. B. Randall, formerly with M. Pastoret, is now clerk in E. Rose's shoe store.

The steam laundry fire pump was Wednesday with satisfactory results.

The Duluth Evening Herald will make appearance Monday, April 9. 5-4 The question has been asked-who will be

vice president of the common council Carpenters are making improvements

the meat market of J. B. Sutphin & Co.

About the 1st of August somebody will publish a book on "Duluth by Gas Light." Hoff is fitting up his new store on east Su

rior street, in El Main's former building. The Duluth Levening Herald will make its

appearance Monday, April 9. Architus McCaw, from New Brunswick.

took out first papers of citizenship yesterday. Over twenty-five men are at work on the

new St. Paul & Duluth dock and warehouse The Daluth Evening Herald will make its

appearance Monday, April 9. Abbott & Bailey have set up an eigar lighter in their restaurant. It is a nov-

diy. The well in the rear of the steam laundry impleted, and all the connections are

ma le. The Dubath Evening Herald will make its

appearance Monday, April 9. IL Feibiger has moved Stock and begun business in the new addition to his hardware

The fine pressed brick for the front of the operationse block have arrived from St.

Louis. The Duluth Evening Herald will make its appearance Monday, April 9.

The fronts on the south side of Superior street, that were damaged by fire, are being

It is probable that the dramatic club will give a second peformance of "Among the Ereakers.

put under the shed on the east end of Culver's dock.

The small boy and his big velocipede is citing very numerous on the sidewalks. He jąja nuisance. The Duluth Evening Herald will make

appearance Monday, April 9. Louis Schintz's class of girls were in

structed in light gymnastics at Turner Hall last evening. The excavation for Austin's block is finished. Chas. Ynger begun the stone work

Tuesday afternoon. Portraits in oil of Judge O. P. Stearns and

of Campbell & Smith. John A. Smith is rebuilding his Lake

avenue boarding house, which was partially burned a week ago.

The Duluth Evening Herald will make it. appearance Monday, April 9. 5-1

At the meeting of the Building and Loan ociation Menday evening five loans were made at 55 per cent.

Quite a number of Duluth people will at-end the musical carnival at St. Paul and Minneapolis this week. S. Levy, the leading wholesale liquor deal-

of the opera house block. The Dubuth Evening Herald will make its

appearance Monday, April 9. A private party, more especially for mem

of the dramatic club, was given by Miss Allie Gillett la-t evening. Everybody is curious to see the new paper

Heral-l. An evening paper in Duluth will be a good thing.

Heffernan Bros, have taken a sub-controct from Geo. Lautenschlager for the brick work on Dr. Austin's new building.

The Duluth Evening Herald will make its appearance Monday, April 9. Oncota was unanimous against the issue

of court house bonds. Perhaps Olicota wants a court house of her own. A work-hop for the curpenters engaged at

Poirier's new block is being built on Petre's vacant lot just zeroes the avenue.

to me Melang, having retired from the business, has sold his remaining stock of liquorato Anderson, Parto et & Co.

The Duluth Evenin; Hera'd will make its

appearance Monday, April 9. During the month of March the tax collec-

tions by the county neutrer amounted to \$3,275.82-nearly all on real estate.

41. Lichance, Joseph Ray, Philip Logtien, Jeseph and M. Beaudoin, all Canadians, took

and first pripers of citizenship Monday. The Duluth Evening Herald will make its appearance Monday, April 9.

...The Minnesota House is being moved from location on West Superior street to its new

Fifth avenue below the railroad track. Among the breakers-the Free Reading in Association and the V. M. C. A.

The latter is drazging the former down. The fortists Evening Herald will make its

works, all to be completed before next fall—one and this is Duluth, the city we all swear by.

Louis Schintz, the teacher of the German Turners, is instructing a large class of girls in gymnastics, giving the first lesson Monday night. It is rumored that a suit for breach

promise is about to be commenced in this the yong lady and gentleman being well known. Everything is in readiness for operations at the yards of the Puluth Brick

out of the ground. H. A. Douglas, the retiring Third ward alderman, is confident that he will be elected ward street commissioner for the ensuing year. He

and Tile Company just as soon as the frost is

would be a good one. The Lake Superior Illevator Company, of Duluth, has increased its capital stock \$22,000, making a total of \$252,000, in 7,010 shares of \$50 each.

What the Times says on any matter of publie interest doesn't seem to make much difference with the members of the common council or anybody else.

Thos. F. Mctiowan's three-story solid brick house is pretty good fire 'protection, standing as it does in the middle of a block of wooden buildings Engineers were running preliminary lines Tuesday in the interests of the water works

company. No time will be lost in getting at the work in carnest. Sheriff McQuade informs us that the marine inspectors, Messrs, Blanchard and Gooding, will come up from Marquette by rail | Lefore

the opening of navigation. The Congregational literary society will give another special entertainment, muscial as well as literary nature, at the church next Tuesday evening.

In the police court yesterday morning C. P. James paid a fine of S5 and costs for a plain drunk, and W. Banks was sent up for ten days for a similar offense. Vermilion is under I booming. People are rapidly flocking in there, and the boarding

houses can scarcely accommodate the rush. Business is good with the traders. Ticket Agent Doty reports that the sale of tickets at Duluth during March have amounted to \$6,000 for the St. Paul & Du-

luth, and \$1,500 for the Northern Pacific.

Park Point was for the Issue of court house bonds by a vote of 20 to 5; Hermann Town was for them 15 to 9; and the Town of Duluth was ununimous against the issue. The progress on the new postoffice is be-ond the expectations of the proprietors,

contractor, and everybody else. What a re-fief it will be to get out of the present unfit quarters ! The dance at the Norris House Wednesday night wound up with a vigorous light

tween two woodstaen. The first round was not decisive, and they had a second dry morning. Norton, Thomas & Atwater have put in nearly 4,000,000 feet of logs at the Black river camp. They are now making their roads, and are hading as much as at any

time during the winter. A St. P. & D. switch engine van four flat cars loaded with lumber off the track in the rear of the N. P. docks Wednesday morning, with slight damage to the cars and the new

piling upon which they tell. Jas. Cobean has purchased the Jas. Cobean has parents of Minnesota tures and stock of Jos. Lloyd, on Minnesota Point, and will hereafter run the house for himself. Jim has been with Lloyd two years,

and has kept an orderly place.

people are getting nervous. When the whistle of clerator I was blowing so persistently Monday 1100n, in thought it was an alarm of fire. Saturday evening gisoline was relighted in the St. Louis, after disuse for some months.

When the

The difficulties and dangers which attended The Minnesors Point hand fire engine will its use, during the extreme cold weather last winter are no longer possible. When the hook and ladder truck its way back to the engine house after the fire arlana Sunday evening, one of the wheels ran over the ankle of a little son of Mike Mc-

Cann, but the Loy was not seriously hurt. It is now ascertained that the late German play netted the hospital fund \$566. ladies of the German society, who originated and carried out the project so successfully; are entitled to a great deal of credit. They

all worked hard. H. N. Setzer, at present of Taylors Falls, senior member of the law firm of Setzer & , by Merriett, are exhibited in the store Smith, of this city, was in town Wednesday. Mr. Setzer will remove his family to Duluth

in June, and thereafter will devote his entire attention to his lat-mess Lere. Brick laying on the new post office, 10x60 and two stories. is concluded - twenty days the best time ever made in the erection of a brick block in this city. The roof will be put on today, and lathing is already in pro-

An item in the Times states that "the gambling houses are in full blast again." Chief of Police Baniels, who has or ters to keep these houses closed, requests us to state will occupy the east store and basement emphatically that the charge is false -and from our own observation we believe it to

M. E. Chambers, of Foull du Lac. will apply to the boarl of county commissioners permit to run a ferry across the St. r.ver from the foot of Roussian street, for a permit to run a ferry Fond du Lac, to a point on the Wisconsin shore near the government road or old ferry landing.

ngainet John who, he said, Jeronimu 4, threatened to "break every hone in his body during a little row they had out in the city Sunday. Julius failed to prove it by witnesses, however, and the case was dismissed at his costs. Dr. O. N. Hoyt, a homeopathic physician from Cresco, Ia., will arrive in Bulath today. He will locate here, having engage I an office

in the Ebmer and Burg block. duced to locate here by the missionary labor of Geo. Borthwick, the young attorney lately from Iowa. A new line of steamers, of which the Argyle will be one, will run this year between Meaford, in Georgian Bay. Prince Arthur's Landing and Duluth. The barts of

this line will run up the Napigon river. They expect a good trade in cattle from the lower plats to the Landing. An effort will be made to have the prerine

inspectors come up from Marquette to examine the boilers and hulls of the Dulata tugs before they are complete's fitted out. If this is done it will be a saving of time and expense to the owners, and the officers can also make a more thorough impection. Insurance men state the entire amount the village will pay for fire protection to the water works company will not equal the reduction in the rates of insurance in two blocks

one pocket and put into another with inter-

From a deed filed for record with the register of deeds it is learned that the real estate on Rice's Point, sold by Cutler, Gilbert & Pearson to the Barnhardt Lumber Company, comprises ten lors in block 39, ten lots in block 50, and all of blocks 63, 76, 83, 16, 102, 116, and 121—the price paid being \$17,-

Julian Hartley, of Aitken, and Miss Mary Duggan, a dining room girl of the St. Louis, were married at the parlors of that botel Monday evening, by Rev. C. A. Cummings, bridegroom is a brother of the well-ki The Hartley brothers, pine land dealers of Brainerd. The couple took the evening train for St. Paul. A pleasanter mouth than the last has been

not been a drop of rain, a flake of snow, or any high wind for more than thirty days. Such weather in March is strange, but very agreeable. Builders have taken every advantage of it. E. S. Fletcher and J. J. Hibbard have begun the building of the stables of the street railway company, on the lower side of the Rice's Point road, half way between J. S. Daniels' residence and the first bridge. The

was never known, at this time of the year,

even by the oldest inhabitant. There has

Yager is laying the stone foundation. The German given at Hotel St. Louis last night was an elegant affair in every way. In spite of the fact the favors ordered especially did not arrive from St. Paul, the favors dispensed were unique and some of them handsome. It was not until a late, or rather an early hour that the guests separated. A more proper reference will be made at an-

other time.

stables will be 20250 feet, one story on the

Chas.

street and four stories in the rear.

T. P. McGowan will hang an illuminated portrait of Procter Knott over the main cutrance of his handsome new block. Īn Knott's famous speech he spoke of Indians driving buffalo into Duluth to market. ·Mr. McGowan will display a picture of builab ball running Indians out of Duluth, and over all these words: "P. Kao phecy fulfilled." It is a good idea." "P. Kasti's pro-

It now turns out the liquor recently found" up on the hill was not stolen, nor did it belong to Wm. Dambruck, as at It was liquor that Capt. Norfirst supposed. ris had started on the road to Vermillion. He left one load there, with watchmen during the night, taking up another the next day and then starting it all off on sleighs. These were ascertained by the sheriff when he went to arrest the supposed thieres. John Hogan, who has been on the Tolice

orce for about a year, and who has been one of the best members, has resigned—It being his intention to go to the state of New York in a day or two. Thos. McLaughlin, who has been on duty at Rice's Point, will be transferred to day duty up town, on Hogan's Jos. Pelazszi has been appointed to heat. duty at Rice's Point, being strongly recommended by many of the citizens of that part The resignation of Rev. C. A. Cummings,

as pastor of St. Paul's Episcopal church, has been accepted. Mr. Cummings declines to state the causes that led to his resignation, saying only that he desires a rest for a time. Should be decide to leave Duluth, his departure will be regreted exceedingly by all he have at beart the interests of St. Luke's Hospital, for the founding and firm establishment of which he has done more than anvone else. It is now fully decided that the spar tra There have been so many fires lately that

of the St. Paul & Duloth rail, and will

extended down Minnesota Point, from Culver's warehouse to the canal, the company having the voluntary right of way across all the lots except one owned by E. R. Jefferson, just across the street from Scott & Holston's pluning mill, a right of way across which has been lessed for a term of years. The above firm, and others on the Point, will be greatly benefitted by the exten-ion. Engineer Fish, in charge of the final loca of the Duluth & Iron Range railread,

reports that his party has reached Lester River, only six miles from this cay, and that the work will be concluded in ten days. engineer has found a very good route all the way, with very easy grades and carves. and there is no doubt that the road will be built on the line fixed by his surveyors. Grading on the rine uxed by me surveyors, consuming is likely to begin between Vermilion proper and the mines as soon as frost is out of the ground. A small boy, whose name was new lettined, was nearly drowned near-elevator A Saturday morning. He lives on Minnesota

Point, and was skating across the ice to the elevator, with a sled and backet, after chicken ting and two stories, is concluded - wenty days dock he support on a pite of chaff where the after it commenced. This is undoubtedly dock he support on a pite of chaff where the last time ever hards in the exection of a through, Henry Van Beunt, heard his cries and went to the rescue, pulling him out by means of a pole with a leask in the end it. It was a close call. A petition by J. M. U. Thompson and others, of the villages of Duluth and Park Point, is now in the hand, of the county auditor,

asking the county commissioners to establish and maintain a free ferry across the ship canal, at the expense of the county. Their claim is based on a provision made by the old City of Duluth, prior to the building of the canal, for the running of a steam ferry across the same; and on the fact that such ion was carried out for some time by the city. This certainly seems a case in which the county has no authority. We are glad that Aldermen Landberg, Fink, Hammond and Zimmermann were And we are not at all sorry that Frank Laton has been elected from the Third

ward for the long term. Frank has not trained with the TRIBUNE very much of late, but we remember that when he was an ablerman two or three years ago, while he was sometimes accused of being a little uset in having his ways," yet he insisted on business of the village constanted in a lusi-ness manner; and that is the kind of men needed in the body to which he has been The ordinance under which gis and works will be bailt in Dalath is published in the Inturne this morning. We consider it very interesting realing matter. Remem-

at and ber that three gre necessary improve. ments cost in the way of taxation only · what the village pays for the hydrants and street lumps, and this amount if trifling in comparison with the reduction in insurance good fite protection will compel. Aside from these two things which the village pays for and the franchise that is given, the company is in a position similar to that of any merchant—they invest their money at their own risk, do their own work at their own expense, and citizens can buy gas and water on them or not, just as they please. sidering the character of the works to Int in, the time for completing them, the

really one of the best contracts that a

ever made.
