Resolutions of Regret.

The following resolutions on the death of David Virgin, a member of Company A have been adopted by the committee appointed by the company to draw up the resolutions:

Whereas, the almighty has seen fit to remove from our midst our beloved friend and comrade, David Virgin, the first of our number to be called away; and,

Whereas, we feel his loss deeply and our hearts are made sad by his death;

Therefore, it is resolved in the members of Company A, Third regiment, N. G. S. M., and Company A, Fourteenth Minnesota volunteers infantry, that the remembrance of our late comrade will ever remain as a pleasant memory in our minds; that as his soldierly qualities and cheerfulness while in health and uncomplicated patience in sickness were a never failing object lesson, so will the manner of his untimely death in the flower of his youth ever be an inspiration to patriotism in the future.

It is further resolved, that we extend our warmest sympathy to the bereft and sorrowing friends and relatives;

That these resolutions be sent to the said friends and relatives and published in the daily papers of Duluth and that a copy thereof be preserved in the company records.
