DR. GUNN'S BLOOD AND NERVE TONIC

There is not a woman in this land but at times in her life would have been the better for the use of this Tonic. For diseases peculiar to women a better medicine was never made. It is composed of the ingredients from which the system has been deprived by disease, overwork, or dissipation. It enters at once into the circulation, building up the tissues that have wasted, and making a pure rich blood in the most direct way. For weak, nervous, and unsteady people, pimply, pale, or fleshless people, it will make strong, steady nerves and give the complexion that wholesome look that indicates health. We have hundreds of letters that people have written us, saying they had gained in good solid flesh at the rate of 1 to 3 lbs. per week while using Dr. Gunn's Blood and Nerve Tonic. It should be taken after meals, one or two tablets each time. Druggists sell it for 75 cents per box, or 3 boxes for \$2, or sent post-paid on receipt of price. We are glad to make reply to letters of inquiry, the advice we give is plain, and easily understood. Address Dr. Bosanko Co., Philadelphia, Pa. For sale by Schlager & Griffin.
