#### **CLEVELAND GIRL SHEDS** HER HUNGARIAN COUNT

Freed From Needy Husband Who, She Says, Deceived Her

CLEVELAND, O., March 25 .- Judge Beacom of the common pleas court to-day granted a divorce to Mme. Tackacs Joka on the ground of extreme cruelty. The plaintiff is the daughter of a wealthy manufacturer of this city. While traveling in Europe with her parents Miss Hart met Count Tackacs de Joka, a Hungarian nobleman of Budapest, and the couple were mar-

Budapest, and the couple were married after brief courtship.

The young wife soon discovered that her husband was heavily involved financially and without means. She declared that the nobleman had willfully deceived her as to his standing, socially and financially. Through misrepresentations she said she was induced to sign notes for her husband's creditors aggregating a large sum. creditors aggregating a large sum. Later she left him and came here. The count followed and attempted a reconciliation. Mme. Tackacs de Joka filed a petition in voluntary bankruptcy and was declared a bankrupt by the United States court. She then applied for the divorce

In the Beginning

A magazine writer with the childish pro-pensity of asking amplying questions, in-quires: "How does the robin know when striper come?" quires: "How does the robin know wnen spring comes?"
Why doesn't he go to the very root of the matter by asking: "Why is a robin?"—Cleveland Plain Dealer.

BUSINESS CHANCES

# **MAKING MONEY**

I was born on a Maine farm. I have made some great successes in business. My greatest through Co-operation.
I took \$1,500 capital supplied by Farmers, Women, Physicians, Clerks, Clergymen, etc., in Belfast, Maine, and in an honest, but very profitable business, earned and paid them through BELFAST NATIONAL BANK, \$5,000 in Cash dividends in the first six months, \$25,000 in cash dividends within the next year, and in 18 months I paid them in round numbers \$330,000.00 CASH.

Every \$1 Earned \$220.00

This is HISTORY. Reads like a fairy teads like a fairy tale. but it is TRUE. I made poor people rich. They helped me earn the riches. Just read that over again. I had \$1,500. I earned and paid my stockhad \$1,500. I earned and paid my stock-holders \$330,000 in cash in 18 months. Every stockholder got their share. That's my way of doing business. You must believe this statement is TRUE, for, of I were lying, I wouldn't tell you the place where I earned the money, and the BANK where it was paid. I have learned the great value of the right kind of co-operation, learned how to make money fast in an honest, profitable business, from which millions are made every year.

I now have a new business of the same

business, from which millions are made every year.

I now have a new business of the same kind, only my field is the world. My plan one of extended co-operation. Stockholders everywhere who can give me information and lend their iNFLUENCE. The dividends must be large.

I already have 4,000 stockholders in the United States, Canada. England. Cuba. Mexico, Sandwich Islands, Gibraltar, etc. I want a few more. The shares are going fast. You can invest \$1 or \$100 monthly payments, if you wish. It will be safe and we will make it grow. This is no getrich-quick scheme, no "Frenzied Finance." You will be met on the level and treated on the square. I place 30 years of untarnished business record behind that statement. I only ask you in your own interest to INVESTIGATE. You shall have all the Proof you want. References—Bankers, Business Men, Church and Public Officials, etc. Send your address on a postal card. I will send a 24-page book.

"A Guide to Full Pockets,". FREE. I will pay the postage. Don't be "A Brother to the Ox." Stop plodding. Lift your head long enough to ask me to prove every statement in this ad. This is your opportunity, don't miss it. Don't wait if you want something better than you have got. E. F. Hanson, 146-190 W. Madison st., Chicago, Ili.
