

SHAPIRO GETS VERDICT AGAINST J. W. FALK

(Range Bureau of the News Tribune.)

EVELETH, Aug. 25.—The jury in the case of J. W. Falk against Sam Shapiro decided in favor of the defendant in the municipal court here yesterday.

Falk had brought suit for \$100 against Shapiro for articles which he claimed had been bought by Shapiro and never paid for. The plaintiff owned a meat market here about three years ago. He sold out about that time to Mr. Shapiro and the suit was brought to recover on articles said to have been delivered to the purchaser at that time.

The defendant lives in Stephenson at the present time and had to come from that town to defend the case. He was represented by Attorneys Davis and Ferry.
