

SPEAKING CLUB ELECTS OFFICERS

HARRY ZLATKOVSKY.

Elected President of Public Speaking Club of Central High School.

High School Boys Start Out Year With Great Enthusiasm—May Change Name.

The public speaking club of the high school met yesterday afternoon for the first time this year and organized by the election of officers.

Harry Zlatkovsky was chosen president; Rupert O'Brien, vice-president; Roger Lerch, secretary and Stanley Lamb treasurer.

Although the new president has been in this country but four years he has already given much promise as a debator and it is thought that he will surely make the debating team, to engage in oratorical contests with other schools this year.

Robert Brackett, the new elocution teacher, was present to guide the boys in their work. He will train them in speaking and it is thought likely the club will again enter the Minnesota state debating league.

A new name for the club will be chosen soon and yesterday on an informal discussion, "The Stump" seemed to be the favorite suggestion.
