

BRINGS SUIT TO CLEAR TITLE TO PROPERTY

The congregation of Bnai Israel, a religious corporation, filed a petition against Louis Karon and his wife, Minnie Karon, in the district court yesterday asking that an alleged claim to a lien against certain property of the plaintiff be abrogated.

The petition states that the plaintiff is owner in fee simple of property described as the south $\frac{1}{2}$ of east $\frac{1}{2}$ of lot 248, block 32, and that the defendants claim or may claim right to a lien.

The petition asks that the court render judgement abrogating this claim.
