"The Crest of Quality"

J. M. GIDDING & CO. OF CINCINNATI, O.
(Showing Three Out of Five Floors.)

MARCH 26th is the Store's Birthday!—We've been in business eight years, and are going to hold a three days' jubilee commencing Monday and continuing Tuesday and Wednesday. This is to be, without exception, the greatest and most unique event the Gidding Store ever held.

¶This is **not** a sale of goods made for sale purposes—We offer you **nothing** during this event, excepting the goods we are **proud** to offer you at **regular prices** and under the regular Gidding guarantee of **Quality, Style and Make**.

¶The combined forces of the entire Gidding organization have left no stone unturned to produce **values** commanded entirely by our tremendous tri-store outlet on exclusive wearables. We propounded our plans to our best makers, whose lines we control, for our three institutions—asking their co-operation and in many instances they have put forth their best efforts to contribute to this Birthday event, **regular merchandise** at liberal price concessions. Combined with these unusual values we have selected from stock **favorite lines** of staple merchandise at **Anniversary Prices**—Every Department contributing a **Birthday Gift**.
