

HIGH SCHOOL NEWS

Several solos have been arranged for the meeting of the Musical Society which was postponed from this evening until Friday.

The High School Mandolin club will play Friday evening at the First I. E. church, where a program will be given by some of the younger members.

Due to the illness of one of the students who was to take part in the play Friday afternoon at the Junco meeting, it has been found necessary to prepare another program. Short readings will be given by Arthur Abram, Franklyn Neff, George Brenna and Morris Litman. Several dramatic selections will complete the program.

Orchestra rehearsal will be held this afternoon. This is the last regular practice before the concert on the 24th.

A meeting of the Zenith Board was called for yesterday. Assignments to report on the various school clubs and societies were given out, and the work proper of getting out the publication will begin at once.
