CHISHOLM, Dec. 28.—Chisholm has been a very busy town socially during the past couple of weeks and promises to continue so well into the new year.

Thursday evening the Tamborine Orchestra gave a dance in Karl's hall. Friday evening in the Finnish Public home a dance was given by the Finnish society. This evening in Karl's hall the big dance given by the "Old Swedish" people and known in their native country the "Svenska Gubbans" took place. This dance is characteristic of the Scandinavians and was largely attended.

This afternoon Mrs. Mose Sapero entertained for her sister, Mrs. Josiah Brill of Minneapolis. Both of these ladies are brides of the past summer. Mrs. Simon Sapero will also entertain for her daughter, Mrs. Brill, during her holiday visit with them. Mr. and Mrs. Brill arrived here on Christmas day.

Miss Maud Talboys, a teacher in the public schools, entertained this afternoon for a number of her friends. This afternoon at the home of Mrs. Harry Jones of the Monroe location the newly organized "five hundred" club met for their first game of the season.

Next Tuesday evening, December 31, the Scandinavians will give a dance in Karl's hall. On Wednesday evening, Jan. 1, the Yeomen hold their annual installation, which is to be followed with a big dance. A good program has been prepared.

On Saturday, Jan. 4, the regular meeting of the Ladies' Art and Study club will take place. Jan. 8 Mrs. Clyde Blough will entertain the Ladies' Bridge club and, according to the custom of the club it will be the meeting in which the men will be entertained. It will be held in the evening. Once every month the club entertains the men and special prizes are given.

On Thursday evening the Ladies' Pedro club meets at the home of Mrs. A. D. Burfield at which time Mrs. Thomas Dwyer and Mrs. Burfield entertain the club. On Jan. 15 the Jewish Ladies' Aid society is to give a big dance in the Finnish Opera House, the receipts of which are to go toward the Synagogue fund. The synagogue is at present under course of construction but funds are necessary and the ladies of that church have taken this means of raising money. Sims' orchestra has been secured for the occasion.

Representative Cleon T. Knapp and family have left for the winter. Mrs. Knapp and children go to Cato, N. Y., and C. T. to the state capitol. Mr. and Mrs. Charles French will occupy their home for a couple of months until their new residence is finished on Central avenue.
