

GRADE SCHOOLS TO SIX HUNDRED GRADUATES

Commencement Exercises at Most of Buildings Marks Graduation of Largest Number of Grammar School Children in Du-luth's History—Programs Attractive and Well Rendered.

Six hundred pupils were graduated from the eighth grade yesterday afternoon at various school buildings, and an unusually large proportion of them took part in the commencement exercises.

The typical graduation program of recitations and songs was varied at many of the schools with dialogues, while at the Lester Park school, Robert, William Adolph Johnson, John Alfred Olson, Albert Edwin Peterson, Carl Gilbert Sandholm, Ernest Edward Sundholm, Anton Vont, Alvin Carl John Willberg, Emanuel Westberg, Mabel Thurens, Frastod, Myrl Marie Churchill, Julia Violet Gabrielson, William Mathison, Dora Frances Mitchell, Leona Helen Rosek, Romona Agnes Super, Ella Marie Gabrielson.

John Herman Immanuel Bergbult, Temple Francis Berse, Arnold Engberg, Carl Fredericks, Clarence Hagen Hamilton Jr., Wallace Watt, William Mathison, John Johnson, William Oscar Lind, Vern Alford Moller, Edwin Adolph, Joseph Adolph Generaux, John Hugh Gillis, Charles Jacobson, Sidney Frank Carter, Myrtle Sarah Abrahamson, Clara Madeline Nelson, Harriet Elsie Brown, Ada Valeria Boutin, Zella Annetta Herbert, Olga Alice Elizabeth Johnson, Lily Moen, Jennie Viola Olson, Genevieve Theresa Wheeler, Nautila Henry Edmond Newman, Herman Watson Wilson, Beatrice May Baudin.

Mothers and fathers almost in the hundreds attended the exercises at each school, and there was a general glow of satisfaction at the success of the programs which were brief and more interesting than those of other years.

The graduation roll is larger this year than ever before, a fact which made it necessary to hold the exercises at the different schools instead of at the high school assembly room as has been done before.
