## THE EMPRESS

MAX BLOOM,

### At the Empress This Week

A rare treat is being afforded the Empress theater patrons this week in the funny musical comedy, "The Sunny Side of Broadway," with the real clever comedian, Max Bloom. "The Sunny Side of Broadway" has in its cast Miss Alice Sher, a talented musical comedy woman who possesses a rich soprano voice. She is cast as Flossie Ring and fits the role perfectly.

For good hearty laughs all that is necessary is to see the funny antics of "Ahey's" horse. He dances and cuts up all through the show. There is a very pretty chorus and all are deserving of considerable praise as they work good together and can sing and dance. As a whole, "The Sunny Side of Broadway" is one of the best tabloid shows yet seen at the Empress. This attraction will continue for the whole week, playing three shows a day.
