

# CHISHOLM TO DANCE FOR JEWISH SYNAGOGUE FUND

---

(Range Bureau of the News Tribune.)

CHISHOLM, Jan. 13.—The dance to be given by the Jewish Ladies' Aid society, the receipts for which are to go toward the building fund for the new synagogue, will take place on Wednesday evening of this week. The party will be held in Workers' hall and Sims' orchestra will furnish the music.

The building fund for the synagogue is badly depleted and work has been stopped on the building until some relief is given along financial lines. The construction of the synagogue has advanced to a stage where it was enclosed with rough sheeting and the roof put on and shingled and a chimney built but beyond that has not been finished.
