

# WORK ON EMPRESS WILL BE RUSHED

---

Not a minute will be lost in remodeling and beautifying the Empress theater, says W. M. Abrahamson, who has purchased the showhouse.

Mr. Abrahamson today will be busy with architects, going over the theater and securing suggestions and estimates for the work to be done. The new owner of the Empress says that his intention is to make the playhouse as comfortable and cozy as any house in the northwest.

It is quite probable that an admission of 10 and 20 cents will be charged when vaudeville is resumed which will be in about a month.
