

# **GOLDISH IN HARBOR**

## **WITH BIG FISH CARGO**

The steamer Goldish, owned by the Lake Superior company arrived at 9 o'clock last night with 450 kegs of fresh salted fish, two tons of fresh herrings and 2,000 pounds of siscoes. The captain reported he had met stormy weather and had been delayed a day and a half at Grand Marais. Tomorrow the Goldish will leave for a cruise along the north shores of the lakes.
