Just a Word of Sincere Appreciation

I WANT to thank the people of Superior and the many Duluth friends for their generous patronage during the sale of Hubbard Shoes which ended last night. I have been in the shoe business for 20 years, since I was 14 years of age, and in some of the largest stores in the country, but never have I met with such appreciative patrons as I have met in this city.

We have begun the remodeling of the store and selected our new lines of shoes which will arrive in a few days. We are also going to install the most modern Rapid Shoe Repair department in the rear of the store and it is my greatest ambition to give Superior the very best shoe service, the most up to date and the most complete in every way to be found anywhere. The Hubbard Shoe Sale has convinced me that the people appreciate real values and my future policy will continue to be to sell "Quality," the very best footwear to be had, at the most reasonable prices and at all times to give you the most polite and efficient service. And if at any time a customer is not entirely satisfied with his purchase I will refund his money as cheerfully as I took it. In fact, I never feel that it is mine until the customer is completely satisfied. Thank you.

C. O. JOHNSON,

Successor to H. E. HUBBARD

1120 Tower Avenue, Superior.
