House parties at summer homes for Independence day and the weekmed was the occasion for much entertainment of an informal nature during
to later part of the week. At the summer hotels and at the private conterral the late resorts there are many guests, who have fied from the
terral breath of the east to the pine woods and cool lake breezes of
mathern Minnesota, Wisconsin and Mitchigan. Motor boat trips, launch
state and informal dancing parties were a feature of independence day at
the summer colonies. There have been several weddings in prominent
sorth country families during the week. Many brides and grooms are
exhering the regulation wedding trips by rail or steamer in favor of motor
trips through the north country district or cance journeys in the lake and
eiger refion.
