This staunch fishing boat has just been completed for the

Lake Superior Fish Company

208 E. First Street, at an expense of \$5,000.

THE boat will be used for the freighting of fresh, frozen and salted fish of all kinds from all North Shore points. We are the largest shippers of frozen fish in this territory and can supply any amount of fish according to the season. Prompt deliveries made in first class condition. We have had this boat built for the sole purpose of keeping in closer touch with all north shore fishermen and in supplying the public with freshly caught fish. The boat will be in charge of four competent men and two trips weekly will be made to all North Shore points.
