

NEW FISH BOAT LEAVES ON HER MAIDEN TRIP

The boat, L. Goldish, of the Lake Superior Fish company has cleared port this morning at 3 o'clock for the north shore on her maiden trip. The boat will stop at all points from Duluth to Isle Royale, Mich., in charge of Captain John Waroe, A. Sundstrom, engineer; F. Comstock, mate; D. Comstock, assistant engineer. This boat will be operated by six competent men and will make at least one trip weekly for all north shore points. The boat will be engaged in freighting fresh and salted fish from all the north shore fishermen.—Advertisement.
