

Frank H. Keyes, Julius Markowitz, H. J. Miner, William F. Mars, Jack Lawless and E. H. Jerrard of International Falls came to Bemidji last night and will attend the "get together" meeting of the Bemidji Elks this evening. All of the visitors with the exception of the latter are candidates and will be initiated at the meeting tonight. Other members and candidates are arriving upon every train and hotel accommodations are now at a premium.
