Mrs. Benjamin Harrison and Other Returning Americans Issue Statement.

NEW YORK, Sept. 3.—The friendof hostilities drew up a statement em- wards its removal. bodying their views before the Ryn-dam reached port. Among the sign-ers were Professor Harry H. Love of Cornell university and Professor Carl D. Fehr of LaFayette college.

Germany," the statement reads, "we feel it our duty as citizens of a friendy country to set forth the truth concerning our treatment in Germany and to contradict any false impres-

sions that may now be current." "While the German people always reat the Americans with great courtesy and kindness in times of peace, this was especially emphasized in times of war. From the time of the declaration of war until the time of departure, nothing but kind treatment was accorded us, no matter whether we were in the shops, on the streets or in other public places."

"This spirit was especially well shown, even in the midst of their great sorrow, by a public meeting for Americans in the Rathaus in Berlin. Special Trains Provided.

"Again the kindly spirit of the na tion was shown by providing special trains, even though trains were needed for the transfer of soldiers. It is enough to say that it would not be possible for any nation to be kinder to a foreign people in time of war than was Germany." With 173 first-class and 215 secondclass passengers, the Italian liner Principessa Mafalda docked here to-

day.
The mayor's relief committee appointed to aid returning tourists, reported that the percentage of those in need is growing daily.

Arrives From Liverpool.

## BUSY SCENES AT WHALE CHASES STATE GROUNDS FORMER RANGER

Hundreds of persons are at work at he State Fair grounds preparing for he big exposition which opens Mon-Shean, president and manager of the football team; Frank Indihar, vice or every department, and judging

> reeder of Holstein cattle, has arrived with thirteen animals. With the exeption of some light horses and har-less horses, this is the first shipment f livestock to reach the fair grounds. The judging of butter has com-enced. The cheese exhibits will be

judged tomorrow. A butter statue of Minnesota Falls is being moulded in the dairy building by J. D. Daniels, the sculpter engaged by the fair each year. Cheese and butter awards, according to Andrew French, superintendent of the dairy department, will

be announced Monday.
Wadena, Nicollett and Sibley counties started work on their exhibits this morning. Red Lake and Wash-ington counties were the first two on the grounds. St. Louis county is put-ing up its special exhibit, which does not compete with the others.

The rainy weather has interfered ed the boat ashore at full speed. with the erection of booths and stands this week. Carpenters at work upon the two swine barns needed to house

3,000 distinct entries, which is double the number of entries in 1913. Eleven high schools will put on exhibits in pete in the spelling contest, Friday, Sept. 11, according to a check made today by George F. Howard, superintendent of school exhibits. Last year there were 33 contestants.

# **MONTAGNINI IS** FOUND GUILTY

Virgilio Montagnini was convicted of the crime of rape by a jury which heard evidence in his case in dis-trict court after deliberation of less than an hour this morning. The crime of which he was convicted was committed in Virginia and the daughter of a family living on East Chestnut street was the victim. He was remanded to the custody of the sheriff

and will be sentenced later.

The trial of Earl R. French, accused of embezzling a sum of money approximately \$50, while employed at the Oliver cafe at Hibbing was begun this morning. M. H. McMahon is defending him.

The next case on the criminal cal-

endar will be that of the state of Minnesota vs. Robert Lind, who is charged with abduction. Lind is the young man who figured in an episode with a young woman from Alice about two months ago. He was first held on a more serious charge. The girl in the case ran away from her home and was arrested in Duluth.

The case of the State vs. Matt Stuzak, acused of setting fire to logs belonging to the Bailey Lumber com pany has been postponed, owing to the inability of the state to produce its chief witness, who is ill.

"Publicity Pills With a Productive Punch"-Enterprise want ads.

in the Military Service bill fining heavily the families of Jews evading military service and declining to exempt Jewish ecclesiastical authorities from military service, though this exemption continued to be enjoyed by the Christian and Mussulman ecclesiin poverty and neglect, no fewer than astics. The accusations of ritual murders were revived; Jews were prohibited from being justices of the peace and also from accepting scholarships. dropped.

From these briefly stated facts it will be sen that the grant to the Jewish people in Russia of equality of political and civil rights will be a long overdue act of justice. Some good, at any rate, will have been done as a result of the war if the people of Poland and Finland also obtain real autonomy

One Time Virginia Motion Picture House Proprietor, Has Novel Experience.

C. R. Rhoades, a former well known resident of Virginia and Hibbing, who is now residing in Juneau, Alaska, had a novel experience recently, when he, along with a number of companions, who were enjoying a ride in a launch, were chased by a whale. Mr. Rhoades operated moving picture houses both in this city and Hibbing.

The newspaper clipping, just received by a Virginia friend, follows:

"P. G. Barnett, of the Central lodging house; J. R. Homer of the Imperial cigar store, and C. R. Rhoades, had an exciting experience Sunday with a whale on the south side of

Douglas island.

"They were in a small launch and first noticed the whale spout about a mile away. The monster approached rapidly nearer. Rhoades wanted to take a shot at him, but Barrett head-"The whale spouted about a hun

dred yards away, and then raised his immense bulk within less than 50 the record-breaking swine show, will yards. In fact he loomed as big as be compelled to work night and day to a house and seemed almost over the finish them in time to receive the exhibits.

The rural and graded school exhibits.

The rural and graded school exhibits the boat grounded in shallow water, the head of the monster came up close to the shore as he could get a sound distinct entries which is death. and then he slapped the water with his tail, which sounded like the explosion of a big gun and fairly made the school exhibits building. It has been found that 72 children will com ing with another compaion whale. It was some time before the men got up enough courage to proceed on their way."

# **GILBERT HUNTER KILLS SONGSTERS**

(SPECIAL TO THE ENTERPRISE,) GILBERT, Sept. 3.—Drilling down the pike with a knapsack loaded to the buckles with sweet-voiced song birds, that he had shot in the nearby timber, Santi Elari, a local laborer, was arrested late this afternoon by Game Warden George Wood. The prisoner was arraigned before Justice Anderson and fined \$10 which he paid In his collection of harmless birds were robins, blue birds, woodpeckers and many others of which he intended

to make a potpie.

## HIBBING LEVY IS \$750,000

The village council of the village of dibbing yesterday announced its tax evy for the coming year. It is the same as last season \$750,000, the argest ever made by any range mu-icipality. The money last year was evied for the purpose of putting the illage out of debt and financing imrovements. Of the amount for next /ear \$400,000 is necessary to provide new water supply and \$250,000 for he running expenses of the town.

#### CAMPAIGN AGAINST GERMAN-MADE GOODS

TORONTO, Sept. 3.—That Canadians should not let themselves be tampeded in the big European conflict into any feeling of discontent, was the keynote of the official openng of the Canadian National exhibition, conducted by Sir John Gibson this afternoon.

At the same time an appeal was added by Sir William Mulock, an appeal that the Canadian buying and consuming public should discriminate against German made goods of all classes and that they should seize this opportunity todevelop their own manufactures in all the greater propor-"Until the German people have once

more won the confidence of the civilized world," said Sir William, "Canada ought to shut her markets to everything German. Other nations would follow suit, and then Germany's trade would be crippled into a condition where she would be forced to realize the folly of her great crime." Mayor Hocken declared that not a single item or public work which had

been planned by the city would be

ranch and fodder crops raised for winter feed. Quit trusting to location. Publicity vill sell goods in a barn.
