Furs and Fur Garments

When buying furs, reliability of the store from which you purchase is of first importance. For years we have been buying and selling furs in this section of the country and we ought to know all that is to be known about them. We gladly pass on the results of that experience to you.

In fur coats we are showing beautiful Hudson Seal coats in the correct hip length, three-quarter length and full length styles, some of them trimmed with contrasting fur collars.

Special \$85.00—We offer a very fine Hudson Seal coat, beautiful silk lining, amply full, special this week at \$85.00.

A Special Showing of Hats at \$10.00

In our Millinery section Monday we will offer special street and dress hats for \$10.00 that cannot be duplicated for less than \$12.50 to \$15.00 elsewhere.
