

# **POLICE SEEK THIEVES WHO ROBBED MEAT SHOP**

---

As yet the police have no clues as to the robbery of the Ben Milavitz butcher shop, 1609 Fifth street, which occurred Monday night when \$69 in cash and a number of small checks were taken from the till.

According to Mrs. Milavitz, two young men were watching the shop early in the evening and it is believed they returned later and forced entrance through a back door. It is thought that the men are the same who attempted to rob Dr. R. K. Lohmiller's residence at 1620 Lamborn avenue recently.
