GIRL SAYS REPORT OF MARRIAGE FALSE

Miss Sarah Berzon Denies She Is
to Wed Rival of Man Who
Shot Her.

Emphatic denial was made last night by Miss Sarah Berzon to the report in an afternoon paper that she is about to be wedded to David Kopelovich. Miss Berzon early this week left St. Luke's hospital, where she had been since Nov. 10, after she had been shot and seriously wounded by Michael Miselberg of Superior. Miselberg, she claimed, became enraged at her rejection of his marriage proposal and stealthily entered her room shortly after midnight and shot her.

According to the newspaper article relating to the young woman, her marriage to Kopelovich is the culmination of a romance begun seven months ago and is scheduled to take place within two weeks.

"It's a lie," Miss Berzon said when questioned as to the report. She added that she had not heard of the story and could give no explanation as to its source.

Mr. and Mrs. M. J. Widdes, 916 East Fifth street, at whose home Miss Berzon had been employed as a domestic, also denied the truth of the report.

Miselberg was held for the grand jury on a charge of assault.
