SIXTY ENTRIES IN FIELD MEET

Intense interest is developing in the interscholastic field meet scheduled for Saturday afternoon at Athletic park. Sixty entries had been made at night and the lists are not yet complete. Predictions are made that this will be one of the most interest-

ing and hard fought meets ever staged in the city.

Relay teams have entered from the Central and Superior high schools and this race promises to be one of the big features of the day. The meet is being staged under the supervision of the boys' department of the Y. M. C. A.
