

# EXPECT EUROPEAN WAR TO END WITHIN 60 DAYS

---

Chicago business men look for a cessation of European hostilities within 60 days, according to W. M. Abrahamson, Duluth vaudeville and moving picture theater proprietor, who returned yesterday from the Windy City. That a widespread financial boom will be the immediate result of the war's close, is their belief, Abrahamson said yesterday on his return from that city.

"Within the next 15 or 20 days, negotiations for peace instituted by the allies or Germany are expected," he said. "Business is improving rapidly and is expected to be even better as soon as the European struggle is concluded," he added.
