

# 31 CRIMINAL CASES BEFORE GRAND JURY

---

When the January grand jury assembles tomorrow there will be a total of 31 criminal cases ready to be submitted by County Attorney Warren E. Greene. The most important are the state against Carl Dittman and the state against Mike Miselberg. Dittman killed Anton Klimek, age 19, at his shack near Kenwood park.

Miselberg shot and seriously wounded his sweetheart, Sarah Berzon, while she was asleep in her bedroom at the home of her employer, where she had been working as a domestic. The usual number of burglaries, forgeries, larcenies and assaults complete the roster.
