
IMPROVEMENTS FOR AGUDAS ACHIM CHURCH AT EVELETH PLANNED

EVELETH, Oct. 10.—Plans for notable improvements in the synagogue of the congregation Agudas Achim of Eveleth are being made. The work will be started at once so as to have it completed before the advent of winter weather.

It is planned to raise the building and put a stone foundation beneath it, at the same time making the excavation for an ample basement. The latter will be finished off for apartments for a club to be organized and will be used by the church organizations.

The congregation recently elected Frank E. Rabinowitz, president; H. Sigel, vice president; A. Goldberg, secretary; Sam Siegel, treasurer; Solomon Sax, Frank Weinberg and Jacob Stein, trustees.

Agudas Achim has been active in raising funds for the Jewish war sufferers in Europe. The initial collection amounted to \$500. Since that time relief collections have been taken up and dispatched monthly.
