

NAME OF WALLACE TO, BE CHANGED TO SAX

WALLACE, Nov. 10.—The name of the station on the Duluth, Missabe & Northern, which hitherto has been Wallace, will be changed in a few days to Sax in order that the residents of the community may obtain a postoffice here.

There already is one postoffice named Wallace in the state and that is the reason for the change. The new name is a compliment to Solomon Sax of Eveleth, who has extensive interests about the new town of Sax as well as at Forbes.
