

# DULUTH SENDS \$320 FOR JEWISH WAR SUFFERERS

---

A draft for \$320, representing Duluth's contribution to Jewish war sufferers in Europe, yesterday was mailed to the American-Jewish Relief committee, New York, by Ben Goldish, secretary of Adas Israel congregation.

As the result of a tag day collection nearly \$1,500 was previously forwarded by a committee of Jewish workers.

Rabbi I. Teplitz of Adas Israel synagogue is in charge of the monthly collections which are being conducted among Duluth Jews.
