

# 800 STUDENTS PROMISE TO BUY "THE ZENITH"

---

Up to date, 800 "Zenith slips," for the sale of the annual publication of Central high school, have been sold. This was announced at the regular meeting of the board yesterday afternoon. The sale has been in progress only one week.

During the week a general canvass of the schools and business section will be made. At the end of this week Jacob Garon, editor-in-chief, hopes to bring the number of sold slips up to 1,300. The last, and "cash only" sale, will be held the first part of February.
