ASSIGN SHIPS TO 23 RINKS AT EVELETH

Curlers Prepare to Start Active
Season in Range City.
Await Ice.

EVELETH, Nov. 24.—The games committee of the Eveleth Curling club has assigned the ships for the 23 rinks which will play the ice game this winter. With the promise of ice in another week, it is probable that practice games will be in full swing before the first of the month. The following curlers will skip rinks this winter: B. O. Greening, F. R. Campbell, J. A. Robb, H. Peterson, George H. Whitman, T. H. Davey, O. L. Sundlie, L. L. Johnson, W. J. Davey, C. H. Morrill, H. E. Loy, William Murray, George E. McCormick, C. B. Hoel, Fred Barrett, W. R. Van Slyke, Harry Lyons, Abe Feldman, T. A. Pratt, G. H. Murray, H. J. Schulze, J. L. Andrews and H. R. Edmonds.

Each skip will choose the three men who are to play with them on the rink, but it is agreed that each must take at least one green man. The membership of the club has been considerably increased this fall and most of the new members have never played with the big "stones."

The curling rink already has been flooded and with weather conditions such as prevailed for a week up to yesterday, the ice would be in condition in a few days. A return of cold weather is expected tomorrow and ice-making will continue.

The games committee consists of Frank Malloy, W. J. Davey and H. E. Loy. The making of ice is in the hands of G. H. Murray, Sam Ellis and J. M. Trevarrow. The regular trophy contests of the club will not be started until after Christmas.
