Makes Stubborn Coughs Vanish in a Hurry
Surprisingly Good Cough Syrup
Easily and Cheaply
Made at Home

If some one in your family has an obstinate cough or a bad throat or chest cold that has been hanging on and refuses to yield to treatment, get from any drug store 2 1/2 ounces of Pinex and make it into a pint of cough syrup, and watch that cough vanish.

Four the 2 1/2 ounces of Pinex (50 cents worth) into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents, and gives you a full pint—a family supply—of a most effective remedy, at a saving of \$2. A day's use will usually overcome a hard cough. Easily prepared in 5 minutes—full directions with Pinex. Keeps perfectly and has a pleasant taste. Children like it.

It's really remarkable how promptly and easily it loosens the dry, hoarse or tight cough and heals the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. A splendid remedy for bronchitis, winter coughs, bronchial asthma and whooping cough.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in guaiacol, which is so healing to the membranes.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex," and do not accept anything else. A guarantee of absolute satisfaction goes with this preparation or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

EYES OF SCHOOL CHILDREN

Eye trouble makes a child backward. Headaches of school children may be caused by defective vision. Children's eyes do their hardest work in school. Eyestrain results. Neglect handicaps the child and may entail various serious consequences. Call on us for a scientific examination. If glasses are required, we will supply them. We make the examination, prescribe and fit the glasses so they will be scientifically correct.
