

JUDGE MOYLAN IS SANTA TO EVELETH CHILDREN

EVELETH, Dec. 25.—Judge W. E. Moylan has been busy during the last few days in answering appeals of the children who wrote to Santa Claus for presents, personally investigating all cases and seeing that those who deserved recognition were provided for. The judge has filled all of the Christmas letter appeals for several years and is a welcome visitor at many of the homes.

Misses Grace McIntosh and Esther Rabinowitz, school nurse and secretary of the Associated Charities, respectively, made investigations to ascertain the number of needy families of Eveleth and directed the distribution of food, toys and "goodies." Twenty boxes were sent out. The funds were furnished by citizens and the following lodges: Elks, \$50; Eagles, \$35; Moose, \$20; March Umbria, \$10.
