

REBUILDING SAPERO STORE AT CHISHOLM

CHISHOLM, June 26.—S. Sapero & Sons, who recently suffered the loss of their department store building by fire, have perfected plans for the building of the structure. Work will be started as soon as material is received.

Plans for the new building, which will be one and one-half story with basement, have been received from the firm's architects at Superior, Wis. The work will be done by day labor and will be supervised by Simon Sapero, senior member of the firm. Masons are at work preparing the foundation for the building.
