Following:

A BIG PIANO SALE—GOING OUT OF BUSINESS—DISCONTINUED AGENCIES—CREDIT CHECKS—(Which are worthless) BIG DISCOUNTS—

And other kinds of bait. Some firms even go the limit and advertise PIANO PRICES SMASHED TO PIECES—PIANOS AT YOUR OWN PRICE—PIANOS SOLD REGARDLESS OF COST. Who ever heard of any honest firm selling good pianos below cost. We can sell you good-looking pianos, brand new, for \$95, but we prefer selling you one of our high-grade pianos which we manufacture and sell direct to you at an actual saving of \$100. Beware of the grief that follows the purchase of a good-looking cheap piano; they are generally featured by firms using the above eye-catchers in their ads.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a glass of Salts if your Back hurts or Bladder bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back, stomach, sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

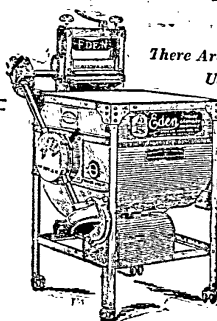

Is Very Satisfactory!

To Quickly Remove Ugly Hairs From Face

(Beauty Notes)

Beauty-destroying hairs are soon banished from the skin with the aid of a delatone paste, made by mixing some water with a little plain powdered delatone. This is spread upon the hairy surface for 2 or 3 minutes, then rubbed off and the skin washed to remove the remaining delatone. This simple treatment banishes every trace of hair and leaves the skin without a blemish. Caution should be used to be certain that it is delatone you buy.
