

Sophia Kassmir Sings With Pittsburgh Apollo.

Miss Sophia Kassmir, soprano, formerly of Duluth, gave a concert recently at Pittsburgh, assisted by the Apollo club of Pittsburgh, under the auspices of the Actors' Fund of America, which won her the following mention: "This young soprano has made rapid headway in her work. She has a voice of sweet sympathetic quality, sings in good style, and on this occasion sang for a very appreciative audience. Miss Kassmir's songs were well selected, and were interpreted with feeling. She undoubtedly has a bright future."
