

BEMIDJI GIRDED FOR TODAY'S FRAY

(News Tribune Special.)

BEMIDJI, Minn., Aug. 4.—Tomorrow and Sunday the Bemidji boys will meet the fast Hibbing baseball team in that city. One of the hardest games of the year is anticipated by the Bemidji boys who were defeated in two straight games played here against the Hibbing team last Saturday and Sunday.

At Hibbing the Bemidji team will play with practically the same lineup as was in the Saturday and Sunday games here. "Smoky" Sam White, who twirled such a good game for Bemidji here Saturday, will be on the mound in one of the games to be played in the range village. The other pitcher has not been decided yet.
