

EVELETH-VIRGINIA TO CLASH SATURDAY

EVELETH, Oct. 26.—The Eveleth and Virginia high school football teams will meet at Virginia in their annual game Saturday afternoon. The locals have had a very successful season and although now crippled by the loss of four of their players, Grecco and Homsey who are below grade, Greenberg who has a broken wrist, and Saari who has left school, they are confident of a victory over the Queen City players.

Should they win this contest, they will have a clear claim to the range and Duluth championship. This will be the last game of the season for the team, the game with Hibbing scheduled for Nov. 4, having been cancelled.
