

TOWER PIONEERS GIVE A "DUTCH LUNCH"

TOWER, March 19.—Old settlers gave a "Dutch" lunch at St. Patrick's day program Saturday, many families from Tower and Soudan attending. The blockade by snow of roads caused the attendance to be kept below the usual number at these annual affairs. Shamrocks and balsam boughs were conspicuous.

Piano duets were offered by the Misses Elsie Howe and Evelyn Peterson, piano and violin selection by Esther and Archie Swanson, a solo by Ronald Morcom and a reading by Libba Odencrans. The Soudan cornet band played the overture.
