

# COACH

**MAURICE SILVERMAN.**

Maurice Silverman, coach of the Washington junior high school basketball team, is promoting a basketball tournament, now under way at the school's gymnasium. Silverman coached the football team this year and as a result the team made a great showing. Silverman hopes to have his team win the school basketball championship this season.

The second series of the tournament will be played tonight. The Gophers will clash with the Wolverines, while Yale and Fords will battle for honors.
