

FAMILY TO BE UNITED.

BRAINERD, Nov. 27.—Jacob Borkon will soon be joined by his wife and children who, in Poland, have seen three years of the European war. They lost many of their possessions in the Russian advance through Poland. Three times they were driven out by the German advances. His wife and children managed to escape and traveled through Russia over the Siberian railway and got to Yokohama. Today Borkon sent them money for their passage to Brainerd, and it will be a joyful reunion when they come to Brainerd.
