

GOODBY 'SAMMIE'

SAMMIE BACKER.

This is a true scene, one of many which took place yesterday. It shows the worth of a Sammie Backer. Here is a Sammy Backer, (John Ross) saying "goodby" to his Sammie, who is a Sammie in name (Sam Ellis) a member of the medical corps of the Third Infantry.

Mr. Ross, Duluth humane agent, was one of the first men to join the Sammie Backer ranks, and picked his Sammie to be assigned to his care. Ellis will receive all the news from home from his Backer, who is interested in his Sammie. It will be news that will enable him to conduct his first aid work to the best possible advantage.
