consistency between the forest and an interest and an interest and an interest and an interest and an interest

DRAFTED MEN **MUST REPORT** SAT., MARCH 30

Official Order was Received by War Department Yesterday.

port at the office of the war depart-ment on Saturday, March 30 at ten kota Ave., Grand Forks, N. D. o'clock, in compliance with an official D. partment yesteday.

Geo. A. Bangs, on request of the local draft board, will address the Grand Forks, N. D. registrants at the farmers' room in the court house before the assembled body repairs to the Commercial Club rooms where a dinner will be served to the soldiers and relatives and friends. A program for their entertainment will be arranged by the board of directors of the club.

ton has issued an order, through the country to every registrant called for entrainment, demanding a return of his classification card to his local draft board. Failure to comply with same will be reported to the adjutant general by the local board and he will make report to the Provost Mar-

It was announced at the local board yesterday that no exception would be made to this order and every registrant failing to make return will be ealt seriously with.

Failure to report promptly at the

hour and on the day named is a grave military offense. Those who must report are as fol-

Too Much is Needlessly Sent to Soldiers in France, is Contention.

Word was received here today that the United States postal department is making an effort to reduce the quantity of parcel post sent from this country to the American soldiers in Europe. It is the contention of the department that much of the ma-terial which is mailed can be purchased at the .canteens a abroad reasonable prices.

Among the articles which are con-

Biscuits, books, brushes, bouillon, candles, candles, canned goods, choc-455-Fred Louis Romberg, Inkster, olate, chéwing gum, cigarettes, cigars combs, jam, knives, mirrors, pencils razors, soap and tobacco and a great 464-Phillip Roach Bangs, 513 S.

many others. Washington announces that an examination of six thousand sacks of parcel post revealed the fact that 3, 874 pounds of candy, 1,332 pounds of chocolate and 2,838 packages of chewing gum were included in the consignment.

It was pointed out that every pound of goods which may otherwise be purchased abroad takes the place of a pound of ammunition or food aboard the ships carrying absolutely necessary goods to Europe. One Letter Per Week.

J. B. Wineman, chairman of the local soldiers' service bureau, yesterday received a communication from the national headquarters of the Red 512-John Albert Lindgren, 322 3rd Cross organization, suggesting that unnecessary letters to soldiers abroad be dispensed with. One letter a week is thought quite sufficient, in the view of the Red Cross officials, who claim 548-Albert Aase, Ross, Minn. 561-Steen Strand, University, N. D. 564-Emil Fred Beine, Yates Centhat censors and mail carriers have ently necessary mails.

Letter writing campaigns should be changes in the proposed federal grain discouraged, the Red Cross holds, but grades so as to lower the test weight on the other hand, care should be per bushel in the Northern class and on the other hand, care should be taken that the soldiers abroad be kept informed concerning their home and family affairs

ASK CHANGE IN

Elimination of Class Four and Lower Test in Northern Class Wanted.

(By Geo. A. Benson.) Minneapolis, Minn., March 22.-Dakota farmers vesterday joined with Minnesota farmers in asking Charles J. Brand, chief of the Markets bureau, to recommend

eliminate entirely class four.

Mr. Brand, who conducted the hearing here, declared that the De-partment of Agriculture would make its decision known within two weeks. the series, he has conducted, and as soon as he reaches Washington, he will begin work on his report.

The spokesman for the North Da kota farmers was J. N. Hagan, com-missioner of agriculture and labor. The most important changes he de-manded were lowering of test weight; elimination of class four, leaving only classes 1, 2, 3 and sample; that bar-ley be taken out of the so-called inseparables and put in with rye; and that a larger percentage of barley and rye be permitted in all grades; that in admixtures of wheats that ten percent be permitted in No. 1, as long as all No. 1 admixtures go into the same

grade, as grain actually is milled that Dakota, Montana and Minnesota on way and makes No. 1 patent flour. In this federal committee. regard to the test weight, he asked that hard be left where it is; that it be lowered one pound in class 2, and 3 pounds in class 3.

Mr. Hagen left last night for Washington, where, as a member of the Advisory board on agricultural problems, he will confer with Secretary in the secretary in th
