

DULUTH CENTRAL ENTRIES

No. 1—Maurice Karon; 2 and 3—Group of track men; 4—William Nisius; 5—Robert Hargreaves; 6—Sidney Buchman; 7—Mandy Finkelstein; 8—Harry Burns; 9—Henry Pollinsky; 10—Frank Tuttle.

The first annual track meet of the Head of the Lakes Interscholastic conference will be held Saturday afternoon at Tri-state fair grounds, Superior. Every high school at the Head of the Lakes and Two Harbors will be represented. Duluth Central, Denfeld, Cathedral, Proctor, Superior Central and Nelson-Dewey high schools will enter and some record-breaking marks are expected.

Superior Favorite.

Superior Central seems to be the favorite in coping high honors, with Duluth Central a close second. Superior has not lost a dual meet this season and once defeated the Duluth Central team. The locals have lost but one meet and that was to Superior.

Proctor and Denfeld high schools are expected to hurt Superior's chances of coping the honors. These two schools are strong in the same events that Superior is and this may cut Superior's lead down enough for the Duluth Central to win. Cathedral high school is the "dark horse" of the meet. It has not participated in any dual meets this season, but rumors from that school are that it has one of the strongest teams that has represented that school for some time. Nelson-Dewey is the weak member of the conference, but it is expected that the Superior East End school will gather enough points during the meet to be in the race for a position.
