

PLANNING FOR ROYAL SENDOFF FOR DRAFT MEN

Largest Contingent Sent to Camp Since War Began Goes Tomorrow and Tuesday.

Plans are being made to give the boys of the contingents, which leave superior Monday afternoon and Tuesday night, the greatest send-off that citizens of Superior have ever given her soldier boys who have left to enter service.

Whether the Home guard will turn out to escort the boys from the city hall to the station had not been decided last night. However, the citizens, whether relatives, friends or not will gather to do honor to those who leave to take up the burden of war in active service.

The roll of honor bears the following names:
