

ZIONISTS WILL MEET TO DISCUSS DISTRICT PLAN

Plans for a district organization of the Zionist societies will be formed at a meeting of the Agudath Zion Gath lodge of Federated Zionist societies of the middle west at the Tower hall, 8:30 tomorrow night.

A. Mogelson of Duluth will deliver an address explaining the advantages of the new district plan, which will be soon put into effect. Miss Hannah D. Kaner will read an essay on "Louis D. Brandeis, the Leader." A violin will be played by Robert Cohen of South Superior, accompanied by Miss Mollie Handlovsky.

A message urging the local Zionists to continue their work was received from Louis Gordon, who is stationed at the present time at Camp Grant, Rockford, Ill. Gordon was one of the most active workers in the Zionists' circles, and in a letter to a friend, says that he would still like to help the local organization; if members wish to ask him any questions, which he could answer.
