

TEN AUTO OWNERS PLEDGE

PURCHASE OF \$825 W. S. S.

Only 10 auto pledges were received yesterday at war stamp headquarters. The total amount pledged was \$825. Although this was a considerable decrease from the daily average maintained thus far, war stamp officials are confident that auto pledges will be out of the way entirely in a short time. The following pledges were received yesterday: J. H. Constantine, L. E. Larsen, A. C. Gilbert, Dan Brown,, Robert Jamieson, M. J. Widdes, A. J. McLennan, R. D. McKencher, M. C. Albenberg and F. J. Aman.
